- **Stormwater**

Water district and school
references available upon request.

*"You really kept their
attention and I believe
the concepts will stay
with them a long time!"*

Mrs. L. Williams, fourth grade teacher

*"I thought your program was awesome.
My students thoroughly enjoyed it and were
engaged the whole time. I loved the interaction
with the students, the audience participation,
and the hidden talent of our staff."*

Aileen Payne, third grade teacher, Glendale Adventist Academy
