

SONG LYRICS

I Love Water

(M.Beckwith/O.Thomas) ©2005 Building Block Entertainment Inc.

(CHORUS)

I love water
Wah, wah, wah, wah water
Woa, woa, woa
I love water
Wah, wah, wah, wah water
H₂O

I love water, yes I do
I love water...me too
I love water more than you
No you don't, that's not true
Cause I love drinking from a fountain
River rafting down a mountain

I love swimming in a pool
A high dive jump is pretty cool
I like to drive in the rain
In a hurricane...
Are you insane? Water on the brain?
Bro, it's H₂O

(Repeat CHORUS)

I love sledding in the snow
That's just frozen H₂O
I love drinking
Glasses clinking
Sprinklers sprinkling
Mud that's sinking
So what are you thinking?
I'm thinking...
H₂O

(Repeat CHORUS)

"H" is of Hydrogen
"O" is for Oxygen
Put them together
And what do you know
It's H₂O!

(Repeat CHORUS)

From the album
"The Amazing Journey of Water"
