

## Lyrics for "Down in the Ole Bayou"

© 2024 Mark Beckwith

I love the music of the Cajuns  
I love the music, Zydeco  
I love the songs from Louisiana  
Down in the ole Bayou

Oh it comes from Caribbean islands  
It comes from the African soul  
It comes from the heart of French speakin' people  
Down in the ole Bayou

I hear a washboard scratchin'  
And a twangy banjo  
Squeezebox accordion  
Bowin' on a fiddle  
And a washtub bass  
And everybody's hambonin'

I love the music of the Cajuns  
I love the music, Zydeco  
I love the songs from Louisiana  
Down in the ole Bayou  
Down in the ole Bayou
